

WHAT ARE REWARDS POINTS?

Reasor's Rewards is a program that saves you money at the pump by earning 3 Reasor's Rewards Points for every \$50 you spend in a single or multiple transactions of qualifying purchases before sales tax, excluding alcohol and tobacco. \$50=3 points, \$100=6 points, \$150=9 points and so on. These points can be used to reduce the per gallon price of fuel, up to 20 gallons, on your next fill-up at any Oklahoma QuikTrip or Lil' Reasor's fuel center. You can also earn 5 points per paid prescription at Reasor's pharmacy. There is no limit to the number of Rewards that you can accumulate, although each reward expires 60 days after it is earned. Your Reasor's Rewards points stack up until they are redeemed or expire.
